

CLARITY

Sit or Stand Workstation

LFO-OL2914-B

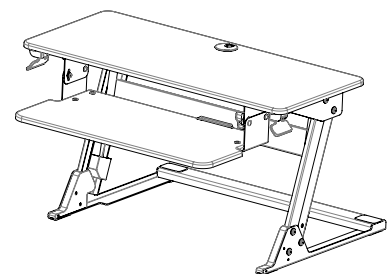

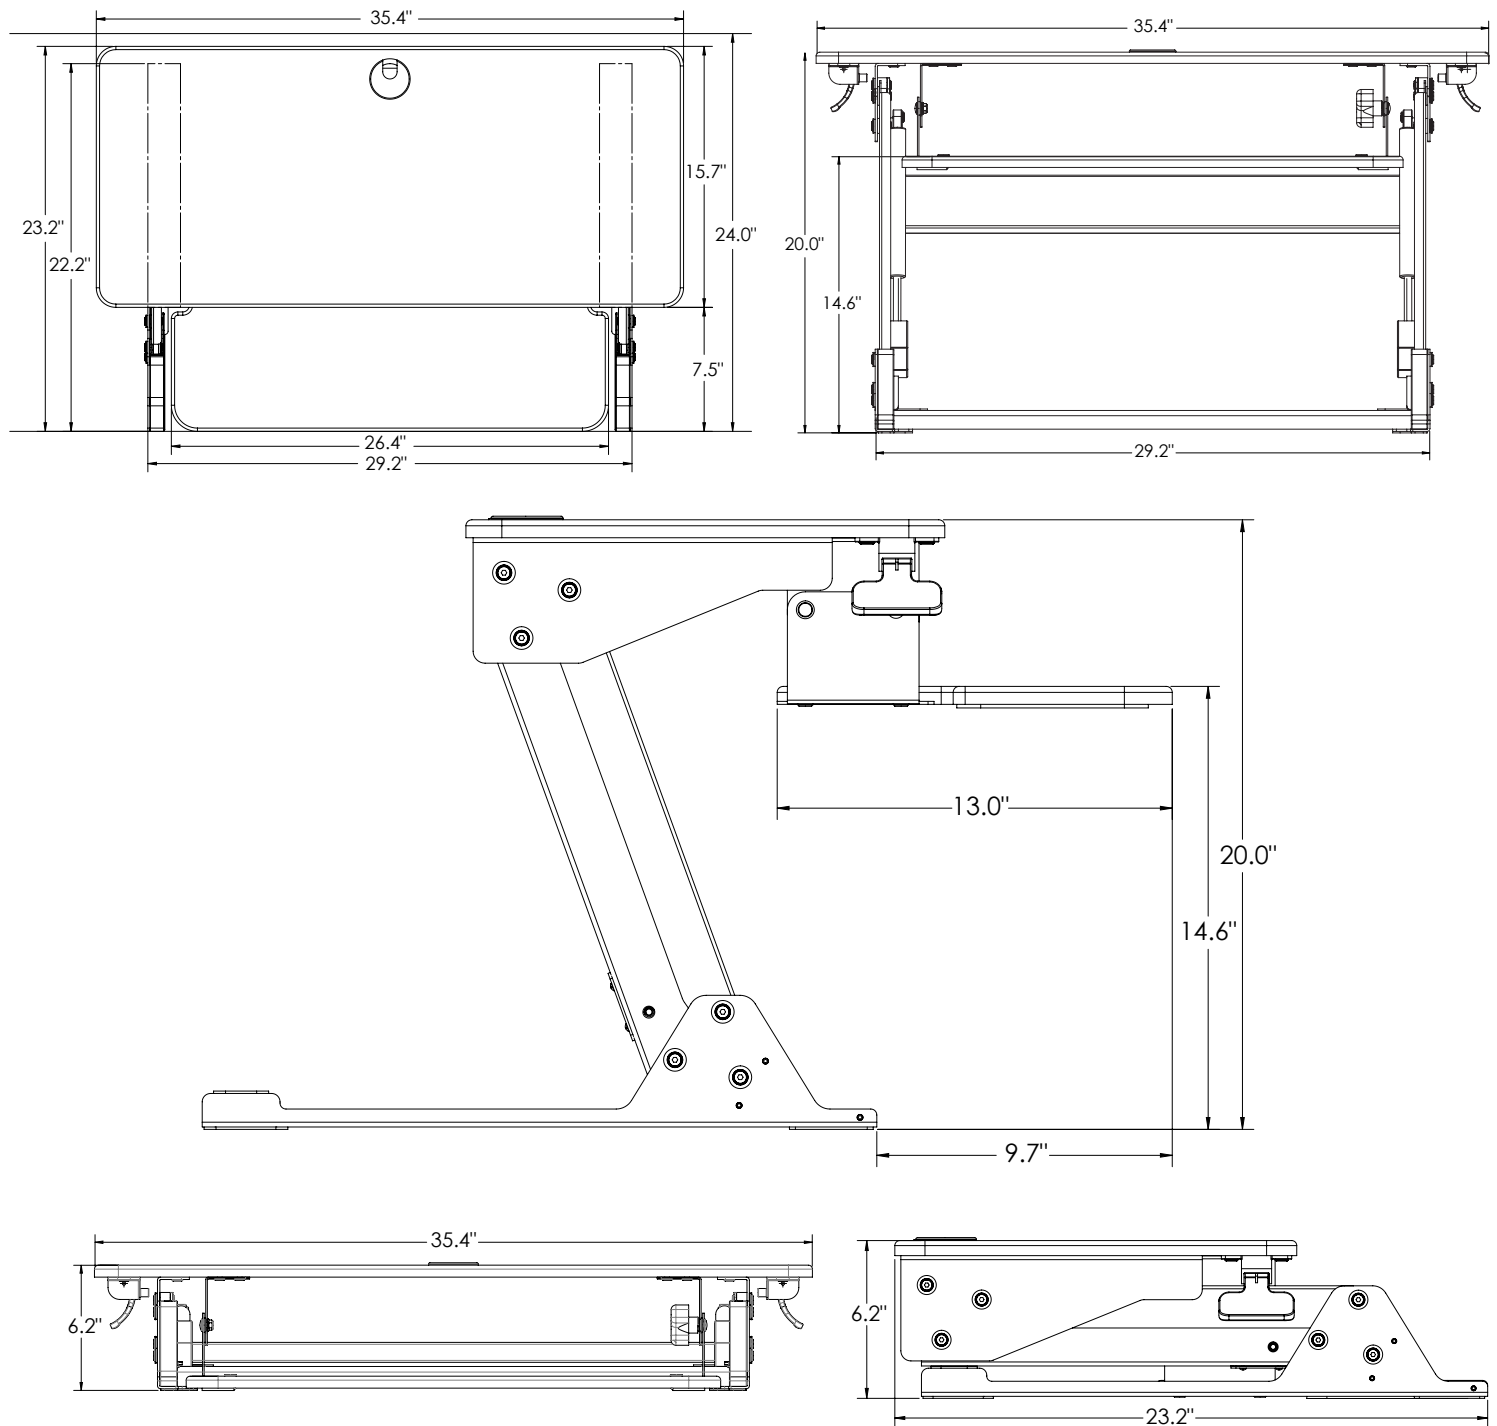

LFO-OL2914-W

Shown with optional
Monitor Arm

Features	Benefits
Ships fully assembled	No tools are required for installation making it easy to retrofit existing office space
Compact footprint	CLARITY easily fits onto a 24" deep desk
Gas assisted height adjustment	Provides smooth, quiet and infinite height adjustment through a 14.6" range allowing users to easily set the workstation to their ideal ergonomic position
Primary work surface can be extended 20" above the desk	A large height adjustment range accommodates a greater variety of users
Large useable primary work surface	The primary work surface is large enough to accommodate 2 x 24" monitors, monitor arms, an Apple iMac or laptop with monitor
Primary work surface grommet hole	Allows for cable management and attachment of a monitor arm to improve ergonomic functionality and to clear the secondary work surface
Keyboard surface adjusts with the primary work surface	Improved ergonomics over competitive units that are just one work surface
20° of keyboard surface tilt	Allows users to infinitely adjust the keyboard surface tilt from -10°/+10° for an ergonomic typing position, in the sitting or standing position
Clip-on mouse fence and cable manager	The moveable mouse fence has integrated cable slots to neatly control mouse cords
Supports 35 lbs. of technology	Strong enough to support users technology requirements
Weights 40 lbs.	Light enough for simple installation and moving from desk-to-desk
Five Year Warranty	Tested to 15,000 cycles, provides worry free reliability
